

SCDXC Newsletter

The Southern California DX Club is a group of dedicated men and women active in the amateur radio community who enjoy communicating over the air with other radio amateurs around the world.

The SCDXC strongly supports the DX Code of Conduct. Please visit their website:

www.dx-code.org

The SCDXC newsletter is published monthly and released to club members around the first of each month. Amateur and DX related letters, news and pictures are welcome and will be published as time and space permit.

Articles may be republished with recognition of the author and the club. Reuse of copy-righted materials require the original author's permission.

Any questions regarding this newsletter or its articles should be addressed to the Editor, Bill, N6RV at:

n6rv@scdxc.org

Club meetings are held on the second Thursday of the month at 7:30 PM except April, June and December.

Please check the club web site for events and details at:

<http://www.scdxc.org>

If you are in the area please say hello on our repeater:

From the Desk of the President Doug Dowds, W6HB

QST de W6HB:

WOW! What a BASH! Many thanks to Bill, Leida and Team for an afternoon that will long be fondly remembered. Great to see a good attendance from our brethren to the south too.....

Here's hoping all enjoyed the "Show Your Shack" meeting in August. Made me drool a little until I remembered that we all tend to be limited by many things in our lives but Dxers will always DX!

Thanks to Sandi, N6CU, for keeping the BULLETin on track while she could and best wishes as she goes back to school. Welcome back to Bill, N6RV, as he takes over the editorship again. Good to see folks stepping up to the plate to keep the SCDXC moving forward on the bright track. Might you be the next to volunteer?

Formally September is the month we empanel the nominating committee to propose your slate of officers for the next year. Thanks to Joe, K5KT, for taking the lead already. Please let Joe know if you desire to accept a position for 2017.

September's meeting will feature a presentation on a new relatively power technology. Rather than steal George's thunder I refer you to his column for details. Remember the no-host dinner at the Sizzler starts around 1700, the meeting's social ice breaker starts at 1900 and the program is geared to begin at 1930.

Did the XYL tell you to clean up your mess? Just say "Yes Dear" and box it up for the club's Anchors Aweigh Auction in October. Be prepared to take home some goodies your XYL has not seen before!

In an effort to keep this your club feel free to contact me anytime via E-mail at w6hb@scdxc.org. I cannot guarantee to please everyone all the time but your thoughts will not go unheard and will be reviewed by your Board of Directors.

73 - Doug - W6HB

September Calendar

Sept. 3	All Asian DX Contest Phone
Sept. 9	General Meeting
Sept. 10	WAE DX Contest, CW
Sept. 16	WARA VE Testing (See announcement)
Sept. 17	<u>Scandinavian Activity Contest CW</u>
Sept. 17	<u>All Africa International DX Contest</u>
Sept. 24	<u>CQWW Contest RTTY</u>

For Contest Info see

Vice President's Corner

George Jacob, N6VNI

**NEWS FLASH NEWS FLASH!!!!!!
WE HAVE A NEWSLETTER EDITOR.
Bill Kendrick, N6RV, IS OUR NEWSLETTER EDITOR
THANK YOU BILL.**

For those of you who did not attend or did not know about this years Summer Bash it was held at the home of Bill and Leida Erickson on Sunday August 7th at 12:00 noon. There was a great assortment of food prepared by friends of Bill and Leida. There were also side dishes made by the ladies attending, thank you so very much. A special thank you to all the SCDXC club members who stayed late to help clean-up and restore Bill and Leida's home back to normal operating conditions. Once again Bill and Leida, thank you so very much for hosting the 2016 summer bash.

The guest speaker for the September meeting will be Kevin Zanjani. Kevin is currently the Sales Manager at Bioenno Power located in Santa Ana, California.

Kevin's Bio:

He previously worked in technology commercialization and applications engineering for various companies in California. He holds a BSEE from the University of Michigan, Ann Arbor; MSECE from the University of California, Irvine, and MBA from the University of Southern California-Marshall School of Business. Bioenno Power was founded in 2010 and provides a variety of LiFePO₄ (lithium iron phosphate) battery packs, solar products, and power packs to various industries. I have seen his presentation several times at other Amateur Radio Club Meetings, it is excellent.

Elections for the 2017 Board Members will be held at the November meeting. If you or you know of someone who would like to be on the board for 2017 please see or email Joe Locascio K5KT.

The Christmas Party will be held on December the 4th at 11a.m.at the Reef Restaurant in Long Beach, CA.

Remember the no-host dinner at the Sizzler starts around 1700, the meeting's social ice breaker starts at 1900 and the program is geared to begin at 1930.

Until the next time

Good DX

73

SCDXC ACTING VICE PRESIDENT

SCDXC PAST PRESIDENT

From The Editor

He's Back !!!

After a long hiatus from the DX BULLETin yours truly has reengaged into the news business. This time it will be a much harder digging up interesting stuff as the cycle and the old timers fade but I am sure we will have a few surprises on the way. Please remember to forward any thing of interest that you would like in the newsletter. Also a few random articles from the membership will be greatly appreciated! Deadline for submissions will be the 20th of them month.

Bill

N6RV

Could You Repeater That Again?

If you haven't heard the repeater is up and operational. LADWP replaced it with a 150 watt Motorola repeater hooked up to the same antenna. It just showed up one day and no one knew what happened. Chip, N6CA, our repeater chairman, reports that the signal is full smash and since it went on the air no one has contacted him. One thing that will be changed in the near future is the ID. It is pretty loud! Chip is working on a couple duplexers that the LADWP representative brought down to him. When he picks them up we will have further clarification on the matter!

Rumors on the Band

Here are some of the hard to work from the West Coast DX operations for September. **Note: Aves Island, YX0V, has moved up to August 27!** **Also P5/3Z0DX, North Korea, may show up without notification!**

QTH	Call	Start Date	End Date	QSL	Information
Macao	XX9TYT	Aug 29	Sep 05	IW7EGQ	By IK7YTT; 80-10m; QRV for All Asia SSB

2016 Summer Bash

Well I believe everyone who attended this years bash would agree that this was the best one ever. Owing to the fact that Bill & Leida's house is huge and well appointed! Bill took almost a year to remodel the estate in preparation for the event. If you know Bill he spares no expense or effort when it comes to a task he has in his queue. Little wonder that the two of them took an extended break after the celebration. From everyone that attended a hearty thanks. You out did yourselves and the result was phenomenal!

Looking around the room it appears that everyone is an older version of themselves from years gone by. It is still good to see everyone still above the dirt and chasing the ever elusive DX bug! If you look at the journeyman table you will see many of the gang from the 50's and 60's.

Not to go without mention. Did you see the shack. It is amazing. You could teach a class of 40 in real time. All you need are a couple of big screens for the radios and the teacher. If Bill puts up a second tower it would be ideal for multi - multi station. Next year it is SDDXC's turn. They will have to work pretty hard to raise the bar!!

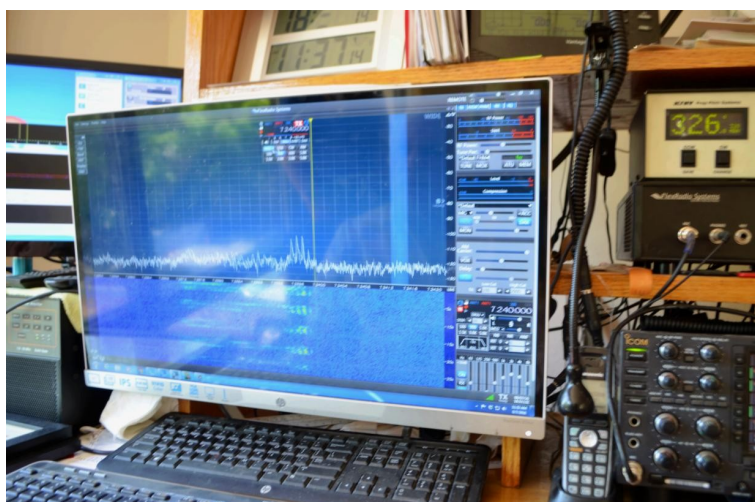

2016 Summer Bash

2016 Summer Bash

DX Standings

One of the issues that was brought to my attention was that ClubLog standings do not reflect the registered ARRL DXCC standings. The standings have now been updated taking the current membership list, including honorary and charter members' and going through both the ARRL Mixed DXCC Listings and ClubLog mixed DXCC listings. For Honor Roll numbers the ARRL DXCC list were exclusively used. numbers. All other DXCC standings were the larger of either the DXCC listing or ClubLog listing. Note that almost half the club is on the Honor Roll and 24 are at the top!

Please check your listing and forward your latest standings to:

N6RV@SCDXC.org

SCDXC WAZ and DXCC Standings

The first WAZ column is the confirmed zone count on 10 bands 160 - 6 (less 60 meters). The second column is the regular 5BWAZ confirmed count. The following are the codes that follow the two columns and indicate the awards:

M Mixed
P Phone
C CW
R RTTY
5 5 Band

The first DXCC column is the confirmed entity count with deleted countries. The second column is the confirmed current entity count. The third column is the challenge slots.

Propagation

As expected the summer conditions are reducing band activity. We had a few days with zero sunspots. Expect more of those over the next several months. Solar activity is back to the levels when we started tracking them in 2011. That is more than 5 years ago! The good news is the cycle should return to this level on the upswing in less than 6 years!! (Yea!). Get ready for the last solar cycle of our lives!
